Dear Parents and Carers,

A reminder that on Friday 4th December from 3.30-4.15pm, we will be hosting our Christmas Craft Fair in the school hall. All children will have made a special Christmas craft, which will be on sale for £1.00. There will also be hot chocolate and mince pies for all! We hope that you will be able to join us. Please note that the new term starts on Monday 4th January and all children should return to school on this day.

With best wishes, Mr Withers (Head of School) and Ms Dyson (Executive Headteacher)

Autumn term music concert

Thank you to all the parents who attended the autumn term music concert. It was fantastic to see so many parents there supporting the children's excellent singing. Each class sang beautifully and it was a joy to see the children perform with such confidence. The children demonstrated our values of inspiration and excellence. We are looking forward to welcoming parents to the next concert, which will be in the spring term.

Computing – Year 4 – Camden learning centre

Year 4 visited the Camden learning centre (CLC) to enrich their computing curriculum. They are learning to code in their computing lessons. The visit to the CLC reinforced the learning in the classroom and allowed the children to practise their coding skills. The children followed instructions to create their Lego prototypes, they then produced some code which will allow their designs to move and follow instructions.

I have received and read the St George the Martyr C of E Primary School newsletter of 27.11.26

Work of the Week…

Every week, a great piece of children's work is showcased in the school lobby.

This week, Year 5 have been learning about the Ocean and the environmental threats this environment is facing. Maryam has shown a good understanding of how oil spills, plastic pollution, microplastics and greenhouse gases can harm marine life and damage the Ocean ecosystem.

Maryam has used the case study of the Mauritius oil spill to support her writing and explain the impact of human activity on our oceans.

Well done *Maryam!* Thank you for sharing your wonderful work with us.
