Go, shine in
the world

Dear Parents and Carers,

We are delighted to share with you the published Ofsted report from the inspection that took place on 18th and 19th of June.

St. George the Martyr has been graded as **Outstanding in all areas**. This is the highest judgement possible. It is very rare that a school is deemed to be Outstanding as this grade is now only awarded to schools with exceptional practice.

Last year only 5% of primary schools were judged Outstanding. We are in a very elite group!

Please take the time to read the full report as it describes our school so well. Highlights are:

"Pupils thrive in this nurturing and supportive school. They are proud of its inclusive ethos."

"Pupils' behaviour is exemplary. They listen attentively and are highly motivated."

"Pupils feel safe and know how to report any concerns to a trusted adult. Bullying is not tolerated. The school develops pupils' independence and character."

"The school has an exceptionally ambitious curriculum. It is well sequenced, enabling pupils to build up their knowledge as they move through the school."

"Staff are exceptionally positive and proud about working at their school."

"Parents are overwhelmingly positive about the school."

Thank you to all the children who explained their learning to inspectors so well; to staff for the excellent teaching; to parents for your continued support; and senior leaders and governors who lead the school so well.

We are very proud of the St George the Martyr school community!

With best wishes, Mrs Whiteley (Head of School) and Mr Webb (Executive Headteacher)

I have received and read the St George the Martyr CE Primary School newsletter of 12.07.2024

Work of the Week...

Every week a great piece of
children's work is showcased in
the school lobby.

This week in
Reception, the class
have been
practising writing
sentences about
'Baby Bear'. Aizah
has worked
independently to
use her phonics to
correctly spell each
word. She has also added in adjectives.

Aizah also demonstrated a fantastic

used mathematical language to explain her
thinking.

Well done, Aizah!
