Go, shine in
the world

Dear Parents and Carers,

The children had a fantastic time today participating in 'Healthy Heart Day'. All classes took part in a range of activities to develop their levels of physical activity, including Zumba, taekwondo, circuit training, as well as making a healthy snack.

Thank you to parents for collecting as many sponsors as you could before this event—all proceeds will go towards buying sport equipment for the school. We look forward to sharing photographs from the day in next week's newsletter.

With best wishes, Mrs Whiteley (Head of School) and Mr Webb (Executive Headteacher)

Science: Year 2's visit to Hampstead Heath

Year 2 took part in a Science workshop called "Heath Beasts". During this workshop the children investigated different habitats around the Heath, such as the woodland, the pond and the meadow. They had a go at pond dipping and a bug hunt.

Year 2 showed our values of 'respect' and 'excellence' by demonstrating superb behaviour throughout the day and by asking interesting questions about their learning.

Work of the Week...

Every week a great piece of children's work is showcased in the school lobby.

This week in Year 2, the class have been focusing on narratives inspired by 'The Tiger Who Came To Tea'.

Sezen has produced a superb sequel to this text using correctly punctuated expanded noun phrases and a range of list sentences.

Well done, Sezen!

Thank you for sharing your wonderful work with us!

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mrs Whiteley or Mrs Marsh. **We are always really pleased to meet with you and chat things through.**
