Go, shine in
the world

Dear Parents and Carers,

This week, as part of our Equality Studies curriculum, the children have enjoyed learning about many of the important issues surrounding Racial equality (including Black history), Gender equality and tolerance of others. We look forward to sharing some photos of their work in next week's newsletter.

With best wishes, Mrs Whiteley (Head of School) and Mr Webb (Executive Headteacher)

Poetry Performance Assembly

As part of the English curriculum, all of our pupils learn poems to recite off by heart. Before half term, Reception to Year 6 performed their poems in front of the school in a special poetry recital assembly.

All of the children made us feel very proud as they showed their school values of *'inspiration'* and *'excellence'* during their highly entertaining performances.

Reading: Nursery and Reception's visit to Holborn Library

Children love listening to stories and this is one of the most important ways that children learn new words and phrases and new ideas.

Nursery and Reception classes visited Holborn Library to show them what a fantastic place full of children's books the library is. They chose books they liked and listened to stories.

Thank you to all of the parents who were able to join us for this visit.

To commemorate Remembrance Day, we are continuing to sell poppies on the gate next week. **Poppies will be on sale for £1.00.**

Work of the Week...

Every week a great piece of
children's work is showcased in
the school lobby.

As part of Equality Studies, this
week in Year 6, the class have
been learning about Nelson
Mandela and his fight to end
apartheid in South Africa.

Umar has written a detailed comparison between
Mandela and Gandhi, looking carefully at the
qualities that they share.

He also explained how both of these activists
used these qualities to promote equality.

Well done, Umar!

us!*
