Go, shine in
the world

Dear Parents and Carers,

This week, children in Year 6 have been taking some tests to assess their preparation for secondary school. Assessments are an important part of school life and children were pleased to be able to show off their learning. Year 6 showed our school values of determination, inspiration and excellence through their efforts. Thank you to the rest of the school for demonstrating our value of community by supporting Year 6 this week.

With best wishes, Mrs Whiteley (Head of School) and Mr Webb (Executive Headteacher)

Enriching the curriculum through trips and visitors

The children at St George the Martyr have many opportunities for visits to further enrich their learning across the curriculum.

Over the last week, Nursery have visited Kentish Town City Farm to learn more about different animals; Reception spent the day at Hampstead Heath developing their knowledge of minibeasts and plants; and finally Year 5 went to the Camden Highline to explore more about the history of London. Thank you to all of the parents who volunteered to help!

I have received and read the St George the Martyr CE Primary School newsletter of 16.05.2025

Name of child _____ Class _____

PLEASE RETURN THIS SLIP TO THE SCHOOL OFFICE AND YOUR CHILD MIGHT WIN A PRIZE :)

Attendance...

A huge congratulations to **Year 2**
for having the **BEST**
ATTENDANCE last week with
99%.

Our attendance bear, George,
will live in the Year 2 classroom
next week.

'Girls Get Moving' – free activities during May half-term

Girls Get Moving is an opportunity for girls aged 8 to 14 to get active in a safe place, socialise, develop new skills and, most of all, to have fun while taking part in their favourite activities, such as trampolining, football, mini-tennis, table tennis, badminton, fun games and much more.

It's free and is taking place at Talacre Community Sports Centre, Dalby Street, NW5 3AF during **half-term week on Thursday 29 May, from 4pm to 6pm.**

If you are interested, please register for a place using [this link](#).

Work of the Week...

Every week a great piece of children's work is showcased in the school lobby.

This week, Nursery have been learning to name a range of 'egg-laying animals'.

John has completed an impressive piece of work using his excellent knowledge of these animals.

He was able to recognise a range of different animals, writing their names carefully with adult support. John then produced his own superb drawings showing what these animals look like.

Well done, John! Thank you for sharing your wonderful work with us!

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mrs Whiteley or Mrs Marsh. **We are always really pleased to meet with you and chat things through.**

We give you our school.
We give you all the teachers and staff who work here, We give you all the children who study here.
We pray our school would be place of great discovery, adventure and creativity.
May it be a place where we love to learn and where we learn to love,
A place where every one is respected and all are deeply valued.
We ask all this through Jesus Christ our Lord.
Amen.

FRIDAY

Pop in after school for a free cheese toasties and ice lolly
