Our School Vision Statement

Go shine in the world and live as Jesus lived.

Our School vision is based upon Matthew 5:14-16

Our school offers a distinctly Christian education in an inclusive environment, welcoming children and staff of all faiths and none.

The distinctive nature of our approach to education can be found in our explicit Christian values, our Collective Worship, our grounded Christian ethos and in our Religious Education.

As a Church of England school we believe **every** child is made in the image of God, and therefore we want the best for them. We value our school community as a place where love can flourish.

INTRODUCTION

St George the Martyr CE Primary School is part of the Go Shine CE Federation of schools. St George the Martyr CE Primary School welcomes children from all faiths or of no faith. As a voluntary aided Church of England school, the school aims to provide an education based on Christian principles, and has close links with its parish church where whole school worship takes place on a regular basis. Governors hope that parents who have chosen this school for their child have done so knowing that it is a Church of England school with a distinctive Christian ethos. Governors therefore expect parents to give their full support to the ethos of the school.

PUPILS WITH AN EDUCATION HEALTH AND CARE PLAN (EHCP)

The admission of a pupil with an Education Health and Care Plan (EHCP) is dealt with by a separate procedure coordinated by the pupil's home Local Authority. Details of this separate procedure are set out in the *Special Educational Needs Code of Practice*. Pupils with Education Health and Care Plans that name the school on the final agreed plan are admitted before other places are allocated.

APPLICATIONS TO RECEPTION CLASS

Parents considering sending their child to the school are strongly encouraged to arrange a visit, which will include an opportunity to view the school. This visit is to provide you with information about the school, but plays no part in determining who is admitted to the school.

Admissions to the reception class take place in one intake in September. It may be possible to vary this. This will be done in consultation with the parents concerned. Admission takes place in the school year during which the child has his or her 5th birthday.

The Governing Body, acting in accordance with the Admission Code (2021) and in consultation with the Local Authority and the London Diocesan Board for Schools, is responsible for the admission of pupils to the school.

Admissions to reception classes in primary schools are co-ordinated across all London boroughs. **You must complete a Common Application Form for the local authority in which you live and send it to the local authority.** On it you can name up to 6 schools in order of preference.

The home borough form (Local Authority Form) should be completed online at www.eadmissions.org.uk or, if you are having trouble applying online or want more help and advice about admissions, you can email admissions@camden.gov.uk or call Camden's schools and admissions team on 020 7974 1625. If your local authority is not Camden you will need to return the form as advised by your local authority.

You must **also** complete the school's own Supplementary Information Form if you wish to be considered under the oversubscription criteria 2, 3, 4 or 5 so that the governors can consider your application fully. **The school's own form (Supplementary Information Form) must be returned to the school.**

The closing date for applications for admission to the Reception Class in the school year beginning September 2027 is 15th January 2027. Letters advising you as to whether your application has been successful or not will be sent out mid-April 2027. If you are offered a place, you will need to accept it through your home local authority by the beginning of May 2027. At this stage you will be asked to bring proof of your child's date of birth and address to the school. If you do not accept the place by this date, or if you are unable to provide satisfactory evidence of date of birth and address, the offer may be withdrawn. The offer may also be withdrawn if it is subsequently discovered that the place has been offered on the basis of false information on the application form.

If a place cannot be offered, you may ask us for the reasons why. You have the right of appeal to an independent Appeals Panel; the school will provide details of how to appeal. You may also ask for your child's name to be put on the waiting list.

IN-YEAR ADMISSIONS TO RECEPTION CLASS

In-Year admissions are those which take place at times other than normal admissions to Reception Class. Applications for in-year admissions are managed by the school. **An In-year Application Form must be completed by all in-year applicants as this acts as the admissions form.** To apply for a place at our school, you will need to complete and return the **Application Form** attached to this policy and return it to the school office with proof of the child's age eg. Birth certificate or passport. When a place becomes available, the governing body will determine who is top of the waiting list in accordance with the oversubscription criteria. The length of time on the waiting list does not determine admissions decisions. All offers of places will be made by the school.

APPLICATIONS TO YEAR 1 TO YEAR 6 CLASSES

Applications for Year 1 to Year 6 classes are managed by the school. **An In-year Application Form must be completed by all in-year applicants as this acts as the admissions form.** To apply for a place at our school, you will need to complete and return the **Application Form** attached to this policy and return it to the school office with proof of the child's age eg. Birth certificate or passport. When a place becomes available, the governing body will determine who is top of the waiting list in accordance with the oversubscription criteria. The length of time on the waiting list does not determine admissions decisions. All offers of places will be made by the school. You may ask for your child's name to be put on the waiting list.

APPLICATIONS ON BEHALF OF PUPILS ATTENDING THE SCHOOL NURSERY CLASS

Applicants should be aware that Nursery education is a non-statutory service and that accordingly a child's attendance in the School's Nursery Class does not guarantee a future place in the Reception, or Y1 - 6 classes.

FAIR ACCESS PROTOCOL

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

OVERSUBSCRIPTION CRITERIA

The Governors have agreed with the Local Education Authority that a maximum of 30 children may be admitted to each age group each year. This is in accordance with government legislation which limits infant class sizes.

School places are allocated by the Admissions Committee according to the criteria below and in that order.

If there are more applications than places, the Governors will give places to:

1. Children in the care of the Local Authority (a 'Looked After Child') or a child who was previously 'looked after' (see definitions at the end of this policy) but immediately after being 'looked after' became the subject to an adoption, residence, or special guardianship order, regardless of their faith or no faith.
2. Children whose parent or guardian have attended public worship services at the Churches of St George the Martyr, Queen Square or Holy Cross, Cromer Street at least once a month over a period of at least two years preceding the date of application. *(See note 1)*
3. Children who will have a sibling attending the school in Reception to Year Six at the time they start attending the school. *(See note 2)*
4. Children whose parent or guardian have attended public worship services at another Christian church defined as being a Church of England church, a listed member of Churches Together in England, or a listed member of Evangelical Alliance UK within the geographical boundary of the Anglican Diocese of London once a month over a period of at least two years preceding the date of application. *(See note 1)*
5. All other children.

Each criterion will be applied in the order given above. Should there be more applications in any category than places available, priority will be given to children whose home address is closest to the school *(see note 4)*.

Notes:

1. *Those seeking a place under the criteria of church membership should note that the school will seek confirmation of this from the priest, minister or church leader. Christian churches are defined as being a Church of England church, a listed member of Churches Together in England, or a listed member of Evangelical Alliance UK. For families recently moved into the area, attendance at their previous church meeting this same criteria will also be taken into account.*
2. *Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster siblings, adopted siblings and other children living permanently at the same address. A sibling relation does not apply when the older child will leave before the younger one starts*
3. *In the event that the final child to be admitted is a twin or a child of multiple birth, the Governors will consider exceeding the published admission number (30) to accommodate all children. If additional multiple birth siblings are admitted after the last place is allocated, they will be seen as 'excepted child/ren' in line with Infant Class Size requirements.*
4. *Distances are determined by a straight line from the centre of the home to the centre of the school, as measured using the Camden Local Authority's computerised*

measuring system. Where it is necessary to differentiate between applicants living in flats using the same street entrance, priority will be decided by random allocation by drawing of lots and independently verified. Where two or more distances are the same, a decision will be made using random allocation.

ADMISSION APPEALS

If parents and carers wish to appeal against the decision not to offer a place at their school of choice, they can do so by filling in the appeals form on www.camden.gov.uk. They can also phone the Camden Admissions Team on 0207 974 1625 or email the team admissions@camden.gov.uk for further advice. The appeal should be submitted within 21 days of your refusal letter. An independent panel will consider all such appeals, and its decision is binding for all parties concerned (Further details of appeal arrangements are set out in the Camden School Admissions Appeals Code which can be found at <https://www.camden.gov.uk/primary-admissions>. If you make an appeal, you will receive at least 10 school days' notice of your appeal hearing date.

WAITING LIST

When the school is oversubscribed and after the admissions to the Reception Class have been decided, if you have not been offered a place you may ask for your child's name to be put on the waiting list. Late applications will also be put on the waiting list. The waiting list will be maintained in order according to the oversubscription criteria. If a child is added to the waiting list, the list will be ranked again in line with the oversubscription criteria. If there is a vacancy, this must be offered to the family at the top of the waiting list irrespective of whether there are any appeals outstanding at the time. The waiting list is reviewed at the start of each school year. Names are normally removed from the list after one full year unless parents/carers submit a written request asking for their application to remain on the waiting list.

DEFERRING ENTRY

Applicants should be aware that they have the right to defer entry for their child until he or she is of statutory school age i.e. up to the first day of the term following a child's fifth birthday. Applications should be made in September in the normal way in these circumstances. The place will then be held until the first day of the spring or summer term. Entry may not be deferred beyond statutory school age or beyond the academic year. Applicants may also request that their child attend part-time until later in the school year but not beyond the point at which they reach compulsory school age. Parents wishing to defer entry for summer born children should note that entry can only be deferred up until 1st April 2028.

ADMISSIONS OUT OF THE NORMAL YEAR GROUP

Requests for children to be admitted outside their chronological age group should be addressed to the Chair of Governors during the application process. The Admissions Committee will consider each request on its own merits. Any decision regarding deferral will be made based on the individual circumstances of each case and the best interests of the child. Parental views, academic achievement, social and emotional development and where relevant medical views will be taken into consideration. The school governors will also take into consideration the views of the Headteacher. The reasons for the decision will be communicated to the parent in writing.

For children whose birth date falls between 1st April 2023 and 31st August 2023 (summer born), parents who do not wish them to start school in the school year 2027-28, but to be admitted in September 2028 for school year 2028-29 should discuss this with the school at an early stage and make the request in writing.

If parents decide not to apply for a Reception place in the school but to apply for a Year 1 place in September 2028 they should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2027-28 Reception year group.

Parents of other children also have the right to request admission out of the normal age group. Parents should discuss this with the school at an early stage and make the request in writing.
