Dear Parents and Carers,

Thank you to everyone who showed our values of compassion and community through their charitable giving today. All donations raised through Movie Afternoon and Movie Night will go to The Children's Society. Thank you also to the parents who volunteered to help with this event. Your support was greatly appreciated.

Please have a look at the 'Important dates for your diary' information overleaf to see when trips and visitors are coming up for your child's class, as well as the dates for our Spring Term Music Concert and Easter service at the church.

With best wishes, Mrs Whiteley (Head of School) and Mr Webb (Executive Headteacher)

Reception—Visit to the London Aquarium

As part of their learning about the topic of 'Underwater', Reception visited the London Aquarium to find out more about the creatures that live in this unique habitat.

Reception had the opportunity to see a range of sea life animals, including sting rays, sharks and a variety of fish. They even had the chance to touch some shark eggs!

Well done Reception for your fantastic behaviour during your visit demonstrating our value of 'excellence' throughout.

Girls Get Moving—free, fun activities during half term

Girls Get Moving is the perfect chance for girls aged 8–14 to get active, make new friends, and try out a variety of fun sports and games – all in a safe and welcoming environment!

Participants can try out trampolining, football, basketball, badminton, dodgeball and more. It's all taking place at Talacre Community Sports Centre, Dalby Street, NW5 3AF on Monday 16th February, from 4pm to 6pm.

To book a space, complete [this form](#).

I have received and read the St George the Martyr CE Primary School newsletter of 06.02.2026

Work of the Week...

Every week a great piece of children's work is showcased in the school lobby.

This week, Year 3 have been writing non-chronological reports linked to their History topic of the Celts.

Rabiya has written an excellent report using clear, structured paragraphs and a range of impressive technical vocabulary. She followed her steps to success carefully and made edits to her writing to improve it further.

Rabiya's presentation is superb and she has used beautifully joined handwriting throughout this piece of work.

Well done, Rabiya!

Thank you for sharing your wonderful work with us!
