Go, shine in
the world

Dear Parents and Carers,

Today, marks the end of Ramadan and the start of Eid celebrations. We would like to say Eid Mubarak all of our families celebrating today!

After the Easter break, parents are invited to join us for class curriculum presentations. This is a lovely opportunity for the children to share what they have been learning throughout the year. The presentation will be around 15-20 minutes long, followed by around 10 minutes for children to sit and share their books with you afterwards. Please see overleaf for the dates and times for these presentations.

With best wishes, Mr Withers (Head of School) and Mr Webb (Executive Headteacher)

PE - Y5 and Y6 Football Tournament

Children from Year 5 and Year 6 attended the Go Shine federation football tournament hosted by St. Mary's school in Kilburn. The children played each of the other schools in well contested matches and all the staff that attended commented on the children's excellent behaviour, teamwork, fair play and sportsmanship. The year 5 and 6 girls team won the tournament for a second year running. The year 5 and year 6 boys came 3rd and were very close to a 2nd place finish.

Hellos and goodbyes

At the end of this term we'll be saying thank you and goodbye to Mrs Marsh who is moving onto a new role. During her time at St. George the Martyr, Mrs Marsh has been a truly valued member of our school. We would like to express our sincere gratitude to Mrs Marsh for her tireless dedication to our children and families. As we operate within a partnership of schools, our staff occasionally move between schools to share their expertise. We wish Mrs Marsh the very best in her next chapter. We're really pleased that Mr Peters, a highly experienced Assistant Headteacher and SENCO who works in another of our partner schools in the Go Shine Federation, will be coming to work with us at St George the Martyr. Working in partnerships mean that our staff are highly familiar with our ways of working when they move schools compared to standalone schools who have to employ new staff unfamiliar with how the school works. Mr Peters is looking forward to meeting children and parents after the Easter holidays.

Camden Holidays, activities and food (HAF) programme

This programme offers free holiday activities, enriching experiences and healthy meals for children during the school holidays. Activities on offer include sports such as football, basketball, swimming and jiu-jitsu, as well as creative opportunities including dance, pottery, crafts and music production.

For more information go to families.camden.gov.uk/parents-and-carers/haf

Person of the Week!

Nursery - Aliza
Reception - Amirah
Year 1 - Ayana
Year 2 - Levi Jett
Year 3 - Aliyah
Year 4 - Sarrah
Year 5 - Stanley
Year 6 - Chloe

Attendance...

A huge congratulations to **Year 2** for having the **BEST ATTENDANCE** last week with **97%**.

Our attendance bear, George, will live in the Year 2 classroom next week.
Well done Year 2!

A look back on Coffee Mornings this month **Wednesday 11th March**

We welcomed Grace Chadwick from the Mental Health support team for an excellent and informative presentation on friendships. She shared how friendship presents at different ages and stages of development and how as parents and teachers we can support children through these stages of development so they can grow and develop into resilient adults.

Wednesday 18th March

We were delighted to welcome Abi Morris from St George the Martyr church who explained the current project to restore the church's roof alongside the church's current goal to develop opportunities for community engagement for families. Parents suggested events such as Arts & crafts activities, engaging learning trails and collaboration with other community events. In the new academic year Abi will return to St George the Martyr to share the church's community outreach plan based on the feedback from these discussions.

Work of the Week...

Every week a great piece of children's work is showcased in the school lobby.

This week, Year 6 have been learning how to calculate the area of triangles.

Nadira followed the steps to success accurately using the formula to successfully meet the learning objective.

Nadira was able to share her confident understanding of triangles through her excellent reasoning during class discussions and written work

Well done, Nadira! Thank you for sharing your wonderful work with us!

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Withers or Mrs Marsh. **We are always really pleased to meet with you and chat things through.**
