Dear Parents and Carers,

Please have a careful look at the 'Important Dates for your Diary' overleaf. There are many upcoming events after half term, including the Summer Term Music Concert, Sports Day and the Family BBQ & International Food Fair. There is a Friends of SGTM (PTA) meeting on Wednesday 10th June for any parents who would like to support with this school community event.

Wishing you all a restful half term break and looking forward to seeing you back at school on Monday 1st June.

With best wishes, Mr Withers (Head of School) and Mr Webb (Executive Headteacher of School)

## Presentation to Parents

This week Year 4 presented their learning from the Spring term to their parents. The presentation took the form of a Quiz show, featuring buzzers, a scoreboard and two extremely knowledgeable teams. The children then showed their parents all the excellent work they had done in their books this year. Well done to all the Year 4 children for the hard work this year and being able to present it so well. Thank you to all the parents that attended.

## Design and Technology

Children at St George the Martyr have been developing their design and technology understanding and skills. They have followed a sequence of lessons to plan and create a functioning design. Each class developed their problem solving and group work skills as well as further developing their understanding of science behind design. In year 5 for example children learnt how to create a circuit to create a functioning buzzer.

## Department for Education - New resources on the 'Kids online safety' website

The department for education have published new resources on the 'Kids online safety' website to help parents and carers understand and get support dealing with online misogyny.

This new section is designed to help families and give them more confidence in talking to their children about what they're doing and experiencing online.

<https://kidsonlinesafety.campaign.gov.uk/>

The updated content includes:

- what misogyny is
- why you should talk to your child about misogyny
- spotting the signs of misogyny
- how you can support your son or daughter

I have received and read the St George the Martyr CE Primary School newsletter of 22.05.2026

Every week, a great piece of children's work is showcased in the school lobby.

This week in writing lessons, Year 6 have been learning how to write a non-chronological report.

Year 6 have been reading the novel wonder by R.J Palacio and researching the real life experiences that inspired the story.
