Go, shine in  
the world

Dear Parents and Carers,

Thank you to all of those who were able to join us last Friday for our Summer Term Family BBQ and International Food Fair. The event was a huge success, with both families and staff having a wonderful time. We would particularly like to thank our 'Friends of St George the Martyr' parent group, who volunteered their time to support the BBQ, whether that was assisting selling raffle tickets, making food for the international food fair or supporting with face painting.

Please see a selection of photos from the event below.

With best wishes, Mr Withers (Head of School) and Mr Webb (Executive Headteacher)

### Hellos and goodbyes...

As you know, St George the Martyr belongs to a successful federation of schools. We have very well-trained, high quality staff who stay with us for many years. This helps to maintain stability for our pupils. Staff tend to stay with us because they enjoy the supportive working environment in our schools and because we give them opportunities for promotion and development within the school federation.

At the end of each academic year, we say farewell to some colleagues and welcome new members of staff. This year, Ms Carter will be moving to another school within our federation. We are sincerely grateful for her dedication and the valuable contribution she has made to our school community, and we wish her every success in the next stage of her career. Mr Martinez will also be taking up a new role as a class teacher at one of our federation schools. We thank him for his commitment and contribution during his time at St George the Martyr and wish him the best for the future.

We are also delighted that, following her maternity leave, Ms N'Dili has returned to the school and will continue in her role as the Year 2 class teacher from September.

### **Work of the Week...**

Every week, a great piece of children's work is showcased in the school lobby.

Nursery have been learning to name different dinosaurs.

Nursery have been taking part in a range of activities and listening to stories to extend their knowledge.

Ava Miah has done some excellent learning this week. She wrote the name of her favourite dinosaur using her knowledge of phonics and even used adjectives to describe it.

Well done Ava Miah! Thank you for sharing your wonderful work with us.
