Dear Parents and Carers,

A reminder to please have a careful look at the 'Important dates for your diary' information overleaf. Our Autumn Term Music Concert is taking place at 2.00pm on Monday 23rd November, and all parents are invited. We have also shared the dates for any upcoming trips and visitors, the class Christmas parties and the Carol Service in the church.

With best wishes, Mr Withers (Head of School) and Ms Dyson (Executive Headteacher)

Food technology – Year 3

Year 3 learnt how to make a tabouleh salad in their food technology lessons this week. They planned, designed and prepared everything they would need. After this, the children put their plan into action and created their delicious salad. The children shared that they enjoyed trying different ingredients and were able to reflect on what made the salad a healthy, balanced meal.

Wildlife visit – Y1 - Science

Y1 had a visit from 'Wild Science' who introduced the children to a range of animals they have been learning about in their science topic: 'animals including humans'. The children were able to see, feel and observe some of the features of different animals that they have been learning about in class. The children were able to hold and touch a range of animals including: centipedes, lizards, snakes, rabbits and even a stick insect. The children asked excellent questions and took great care when handling each of the animals.

I have received and read the St George the Martyr C of E Primary School newsletter of 20.11.26

Work of the Week…

Every week, a great piece of children's work is showcased in the school lobby.

This week, Year 6 have been learning to divide four digit numbers using the formal long division method.

Tehzeeb has used her understanding of place value and her times table knowledge to solve tricky division questions.

Tehzeeb carefully followed the steps to success and set out each calculation neatly and methodically.

Well done *Tehzeeb!* Thank you for sharing your wonderful work with us.
