

Safety Quiz- Results

The children were asked about the most memorable part of **Safety Study** week (January 2023).

The top answers were:

- The police talk with PC Rob and A/PS Dan
- The online safety workshop with Mary Rebelo, local CEOP adviser
- Learning about first aid **and** learning about road safety

We asked the children some questions about how Safety Study week contributed to their learning about keeping themselves safe. Here are the results:

- **100%** of children in the school could name at least one adult they would speak to if they had a worry.
- **99%** of children could name more than one adult they would speak to if they had a worry.
- **94%** of children said that Safety Studies Week helped them to have a better understanding of how to keep themselves safe. A further **4%** said that they already had a really good understanding because of their previous learning.
